

Networking Lunch

From 12:30pm-1:15pm there will be a networking lunch followed by a closing session and worship. This portion of the event will be hosted by Lan Wilson, Director of Worship for the Greater New Jersey Annual Conference. If you are a worship leader, pastor or volunteer, this would be a great opportunity to not only meet Lan, but also connect with others who are leading and planning worship at local churches in the South Jersey area.

Welcome to HOPE's Worship Team Training Event. This event is for all staff and volunteers who participate in worship leadership. If you sing or play in the band ... if you run the sound board, computer or lights ... you help lead worship on Sunday morning.

New this year, is a leadership track designed for pastors and people who lead artists. Also, there will be breakout sessions for youth and children music ministries in a contemporary setting.

Registration will begin at 8:30am followed by a time of worship led by HOPE's Worship team. Participants will have the opportunity to attend three different breakout sessions. There will be a separate mailing to sign up for your breakouts the beginning of September. You will also have the opportunity to choose your sessions the morning of the event.

Whether you have been serving for years or you are just getting started, this event is designed to help you and your team develop the skills God instilled in you. Don't come alone ... bring your team and grow together.

The registration fee for the event is \$5 per person to offset the cost of materials.

Engage 2019: Intentionality as a Spiritual Discipline

Throughout Scripture we have the example of planned, intentional worship. The many festivals and feasts that are recorded in the Old Testament are intentional acts of worship to retell the story of God in the lives of the people of Israel. Paul reminds the people of Corinth to keep corporate worship services orderly (1Corinthians 14).

There is a misconception in some contemporary settings, that planned worship pushes out the work of the Holy Spirit. We believe that the Holy Spirit is fully active in the planning process and will guide us in leaving room for the unexpected.

The theme for Engage 2019 is Intentionality as a Spiritual Discipline. As pastors and worship artists work together to plan with intentionality, we are opening ourselves up to be used by the Holy Spirit in creative and fresh ways.

Here are just some of the breakouts for 2019:

Pastor/Leadership Track:

- ◆ Preaching as a Team Sport
- ◆ Service Planning: Pastors and Artists Working Together

Technical Arts:
