As your coach, it's important for me to get a sense of how you view the world and yourself in the world. The following questions are designed to help me get to know you better. It is best if they are pondered a bit.

1. What parts of ministry have heart and meaning for you?
2. What is the difference God is calling you to make?
3. What do you want to be different at the end of our coaching time together?
4. What drives you crazy?
5. What do you contribute that is unique?
6. What else would be helpful for me to know about you?

(Please return this information to me prior to our first coaching session)
