# MINISTRY AND MISSION

## in the midst of a virus

Spread the love of Jesus Christ while stamping out the Coronavirus.

### **FAITH**

During uncertain and fearful times, God is our creator and Jesus our healer who will lead us through this time.

### **COMPASSION**

We care deeply about all people, those in our congregations and the people in the communities we serve.

### **HEALTH AND SAFETY**

The health and safety of people are of primary importance.

### **MISSION**

The urgency of the effects of this virus calls us to serve the people in our communities and to witness the love of Jesus Christ within us in new and innovative ways.
