

Online Giving Vendor Comparisons

The below chart is for information purposes only. Actual costs for each church may vary if negotiated and/or rates have changed since last update (blank cells were not readily available)

The Vanco rates are contracted via the partnership with the Greater New Jersey Conference; those will be consist for all churches

Beyond costs, churches should pick the best partner for their needs which may include website services, integration with other systems such as Church Management Software (ChMS) and/or accounting software, etc.
