Carryover Max<sup>SM</sup> from Delta Dental allows you to increase your benefits.

This valuable benefit feature allows you to carry over a portion of your unused standard annual maximum benefit limit into the next year, and beyond. You can accumulate part of your unused benefit dollars from a healthy year and use it for services such as bridges, crowns, and root canals.

Carryover Max<sup>SM</sup> is easy and automatic.

- To qualify for Carryover Max<sup>SM</sup>, you must receive at least one cleaning or one oral exam during the plan year. If you don't receive a cleaning or exam, you won't be eligible to carry over any of your benefit dollars to the following year. If you fail to do so, any accumulated carryover will be lost.
- A covered person is eligible for the Carryover Max<sup>SM</sup> benefit if less than half of the standard annual maximum is used in the prior benefit year.
- Carryover Max<sup>SM</sup> allows you to carry over up to 25% of the unused portion of your standard annual maximum up to a maximum of \$500. For example, if your standard annual maximum is \$1,000, and you use \$200, you can carry over \$200 (\$800 x 25% = \$200)
- The accumulated amount can never exceed your standard annual maximum.
- Standard annual maximum dollars are used first. Carryover Max<sup>SM</sup> dollars are used after the standard annual maximum is met.

Delta Dental's *Oral Health Enhancement Option* enables you to receive up to four dental cleanings and/or periodontal maintenance procedures in any combination per benefit period if you have been treated for periodontal (gum) disease in the past. For the additional dental cleaning and/or periodontal maintenance procedures to be covered, you must have had periodontal surgery or periodontal scaling and planing in the past. Details on how to qualify can be found in your benefit booklet.

This program is based upon a network of Delta Dental PPO dental offices, although you may choose any fully licensed dentist to render necessary services. Participating dentists will be paid directly by Delta Dental to the extent that services are covered by the contract. Non-participating dentists will bill the patient directly, and Delta Dental will make payment directly to the subscriber. Patients who select a non-Delta Dental PPO dentist have benefits paid on a Delta Dental PPO schedule of allowances and are responsible for any part of the dentist's fee which exceeds the allowance except that a Delta Dental participating dentist can only charge up to his/her filed fee or Delta Dental's maximum plan allowance, whichever is less. **Maximum benefit may be derived by utilizing the services of a participating Delta Dental PPO dentist.**

Visit a Delta Dental PPO dentist. If you do not have a dentist, visit [www.deltadentalnj.com](http://www.deltadentalnj.com) for a directory of participating dentists.

During your FIRST appointment, tell your dentist that you are covered under this program. Give him/her your Group's name, its Delta Dental Group Number and your Member ID number.

If you have any questions regarding your benefits, you may contact our Customer Service Department Monday through Thursday, 8:00 a.m. to 6:30 p.m. EST and Friday, 8:00 a.m. to 5:00 p.m. EST, at 1-800-452-9310.

This overview contains a general description of your dental care program for your use as a convenient reference. Complete details of your program appear in the group contract between your plan sponsor and Delta Dental of New Jersey, Inc. which governs the benefits and operation of your program. The group contract would control if there should be any inconsistency or difference between its provisions and the information in this overview.
